

ELECTORAL PROCESS

POSITION: The League of Women Voters of Tennessee supports action to simplify the election process, to protect the right of every citizen to vote, and to promote the full disclosure of income and expenditures by candidates, parties, and committees formed to support candidates. Therefore we support the following:

- Flexible hours and places for registration so that all eligible voters can register.
- Statewide uniformity of procedures to maintain accuracy of voter registration rolls and to clarify and simplify polling place procedures.
- The governing of all primaries by state statute, and administration of all primaries by duly constituted election officials.
- A nondiscriminatory arrangement of names and issues on the ballot.
- More flexibility in absentee voting regulations.
