The screenshot shows the Vote411.org website interface. At the top, there is a navigation bar with links: CONTACT US, SUPPORT US, SEARCH BY STATE & TOPIC, ABOUT US, YOUR VOTING GUIDE, and FIND A LOCAL LEAGUE. The main content area features the Vote411.org logo on the left and the LWV League of Women Voters Education Fund logo on the right. Below the logos, there is a section titled "Enter Your Address" with a form containing fields for Street, City, State (a dropdown menu), and Zip, followed by an "Enter" button. To the right of the form, there is a text block explaining the service: "Enter your address to find your polling place, build your ballot with our online voters' guide and much more! With our voters' guide you can see the races on your ballot, compare candidates' positions side-by-side, and print out a 'ballot' indicating your preferences as a reminder and take it with you to the polls on Election Day. Check out our resources for military and overseas voters!" Below this text are two icons: a clipboard with a hand writing on it, labeled "REGISTER TO VOTE" with the subtext "Register yourself and encourage others to register to vote." and a magnifying glass, labeled "SEARCH BY STATE & TOPIC" with the subtext "Find voting information by state or by topic." At the bottom left, there is a section titled "Our Sponsors" featuring the Amazon Web Services logo. A red arrow points from the left towards the "Enter" button on the address form.

2 Vote411.org will display general information. Click the green bar that says “Get personalized information on candidates and issues.”

3 If your address appears properly, click on the green bar that says, “Show My Races.”

4 This is your personalized ballot. You can go through your ballot race by race, or click the gray “View My Races” button to see all the races on your ballot.

The screenshot shows the VOTE411.ORG website. At the top, there is a navigation bar with links: CONTACT US, SUPPORT US, SEARCH BY STATE & TOPIC, ABOUT US, YOUR VOTING GUIDE, and FIND A LOCAL LEAGUE. Below this is the VOTE411.ORG logo and the LEAGUE OF WOMEN VOTERS EDUCATION FUND logo. The main heading is "Personalized Ballot".

On the left side, there are three sections: "Verify Registration Status" (with instructions to register or verify status), "Follow Us" (with social media icons for Facebook, Twitter, and YouTube), and "Voting Guide Links" (with links to "Your Voting Guide", "Voting in Your State", "Personalized Ballot", and "Debates and Forums").

In the center, there is a "VOTE 411 VOTER GUIDE" section. It has a "Start Over" button and a "View My Races" button, which is highlighted with a red arrow. Below this, it shows "0/32" and "Next Race: Lieutenant Governor".

Below the "View My Races" button, there is a section for "Ohio Governor". It lists the salary as \$148,316 and the term as 4 years. It also describes the responsibilities: "Ensures that all laws are executed, reports the condition of the state, and presents a proposed budget to the legislature." It notes that there is not a separate vote for Lieutenant Governor, but rather a single vote is cast for the ticket of Governor and Lt. Governor. The candidate pairings are FitzGerald/Neuhardt, Kasich/Taylor, and Rios/Firakis.

5 If more than two candidates are running for a race, click the names of two candidates for a side-by-side comparison.

This screenshot shows the same "Ohio Governor" section as the previous image, but it has scrolled down to show a list of candidates for comparison. The candidates listed are:

- Edward FitzGerald (DEM)
- John Kasich (REP) Governor
- Anta Rios (DRN) unemployed

A red arrow points to the names of the candidates. Below the list, there is a prompt: "Choose two candidates from below to compare."

On the left side of the page, there is a section titled "Upcoming Debates and Forums" with a list of events:

- Hillard OH Meet the Candidates 7:30 pm
- Gabaska OH Meet the Candidates 7:30 pm
- Columbus OH Meet the Candidates 7:30 pm
- Columbus OH Meet the Candidates 7:30 pm
- Columbus OH Charter School Meet 7:30 pm

At the bottom of this section, there are links for "View Entire Event Calendar" and "View Event List".

6 By each candidate's name is a gray box. Hover over this gray box and click to select a candidate on your sample ballot. This only creates a sample ballot and does NOT count your vote.

7 Once you have selected all of your candidates, the issues on your ballot will appear along with a brief description. Hover over and click on the gray box next to your decision to save it to your sample ballot.

8

At any time, you can print or email an individual race. To print or email a race, click the link at the end of the candidate list.

Use the scroll bar next to the candidate list

9

To email races from your ballot, you must enter an email address in both the "To" and "From" boxes. These can be the same email address. A verification feature requires you to type letters into a separate box.

10 Once you have selected all of your candidates, you can click “Finish” at the top of the candidate box, and enter your phone number to have your completed ballot texted to you, or your email address to have it emailed to you.

11 If you need to look up multiple addresses on your computer, make sure to refresh the page between each.
